

In Rimini with my four-legged Friend!

Pet Policy – Pets Rules

A stay or holiday at Hotel Sporting Rimini is all about style, taste, and relaxation... and it's an experience you can share with your four-legged friend.

To ensure the comfort of all guests and the care of our spaces, we kindly ask pet owners to follow a few simple rules. These may be second nature to those who travel with pets, but it's important to highlight them nonetheless:

We remind you that:

- We welcome pets only upon prior notice at the time of booking.
- Small-sized dogs (up to 10 kg) are accepted, with valid ownership papers and an up-to-date vaccination certificate.
- Pets must be well-behaved in public areas and must not disturb other guests.
- Muzzles are required in all public spaces.
- Leashes are mandatory when moving through indoor or outdoor hotel areas.
- Owners must clean up after their pets and use the appropriate tools. Please do not use indoor or outdoor hotel areas for this purpose.
- Pets are not allowed on beds, armchairs, chairs, tables, or other furnishings.
- Animals must never be left unattended in the room.
- Owners are responsible for any damage caused by their pet to the hotel or third parties.
- Housekeeping will not access rooms where pets are left alone.
- Pets are not allowed in the swimming pool area, breakfast room, restaurant, bar, or any area where food and drinks are served.
- Pets are not allowed to remain in common areas (e.g. lobby, bar), except during check-in and check-out.
- Unless otherwise stated in a special offer or agreed upon at the time of booking, the daily pet fee is €30, which includes the Dog Kit and deep cleaning/sanitization of the room after departure.
- Pets are not allowed in Deluxe Rooms, Executive Rooms, or Luxury Suites.
- Cats are not permitted.
